The Federal Department of Energy Fuel Index as of Monday of each week provides the baseline for use for the next 7 days, beginning Wednesday, and continuing through the following Tuesday. This data is obtained and is publicly available at www.eia.doe.gov or (202) 586-6966.

Freight destined to or originating from the states of CA, AZ, NV, OR, WA, UT, ID, CO, NM shall be subject to the California Price Index.

Freight destined to or originating from all other contiguous states will be subject to the National Price Index.

Refrigerated and Frozen shipment Fuel Surcharge is assessed at 125% of the rates set forth in the Air-Conditioned Fuel Surcharge Table.

The tables, terms, and conditions rendered here are those set forth in Weber Transportation Rules Tariff 2000 Series, Section 1.800.
